

## **Revelation 17c – The Judgment of the Great Whore**

Revelation contains the story of two women. Revelation 12 describes the suffering of the true church whom the whore judged as worthy of death. Revelation 17 describes the destruction of the whore whom Heaven judged worthy of death. This is an overview of Revelation 17. A longer PDF version is available above for download.

And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters:

2 With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.

3 So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

5 And upon her forehead [was] a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

6 And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

7 And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns.

of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.

9 And here [is] the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

10 And there are seven kings: five are fallen, and one is, [and] the other is not yet come; and when he cometh, he must continue a short space.

11 And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

12 And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

13 These have one mind, and shall give their power and strength unto the beast.

14 These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him [are] called, and chosen, and faithful.

15 And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.

16 And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn

8 The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book

her with fire.

17 For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.

18 And the woman which thou sawest is that great city, which reigneth over the kings of the earth.

In vision John was carried forward to our day, the time of the judgment. From the period of the judgment he looked back in time to when the Papal church was supported by the Papal State, the whore supported by the beast. The angel, speaking from our point in time, told John that the Papal State that supported the Papal Church had been and was not, having been abolished in 1798 - i.e. received a deadly wound. However it is to arise again and be called the eighth head. Then all the corrupt powers which have apostatized from God will give their support to the Papacy for a prophetic hour in her last effort to eradicate the saints. However, when her triumph looks certain her supporters will turn on her and destroy her as described in Revelation 18.

### Verse 1: The Great Whore Identified

(a) A woman represents a church. (Jer 6:2; 2Cor 11:2). As a pure woman represents a pure church, this whore must represent an apostate church (cf. Isa 1:21; Hos 4:11) in contrast to the true church in Rev 12:1. Idolatry & friendship with the world are spiritual adultery (Eze 16:17; Jer 3:6, 9; James 4:4). Incidentally Rome calls herself the “Mother” Church.

### Verse 1: A worldwide church

She sits on waters. Waters symbolise the nations of the world. (Rev 17:1, 15). She is therefore a catholic (world-wide) church. Incidentally Catholic means universal.

#### Verse 2: A fornicating church

This Church has turned from Christ to fornicate spiritually with the State whom she seduces into enforcing her doctrines. Incidentally the Roman Catholic church is a union of church and state.

#### Verse 3: She sits upon a beast

The beast represents the civil political powers which support her (See verse 8).

Verse 4: She is arrayed in Gold, stones, pearls etc. Not shamefaced or sober (cf. 1Tim 2:9). Incidentally the Papacy has much gold, pearls etc.

#### Verse 4: A church wearing purple & scarlet

She is dressed similar to the old testament High Priest (cf. Exo 28:15-22) but unlike him she has no blue. As blue represents “all the commandments of the Lord” (Num 15:37-39) this indicates that she does not keep all of God’s commandments. (cf. Dan 7:25). Incidentally the priest wear purple & scarlet colours.

#### Verse 4: Golden cup full of abominations

In place of “the cup of salvation” (Ps 116:13) containing unfermented “wine,” a symbol of Christ’s uncorrupted doctrine, (Mark 14:24), the whore’s cup is full of alcoholic intoxicating wine (corrupted doctrine). (Prov 31:3-5). Unclean food are an abomination (Lev 11). Idolatry & Sun worship are abominations (Eze 8:9-17). This system eats unclean foods practices idolatry and worships on the Sunday.

See Appendix on Alcohol. Incidentally the Papacy offers a cup of alcohol in its communion services.

#### Verse 5: Mystery Babylon. A Mother church

The High priest had “Holiness to the Lord” (Exo 39:30-31) on his forehead. The whore has Mystery Babylon, Mother of Harlots on her forehead. This church counterfeits God’s priesthood. Her daughters are others churches which came out of her yet tragically followed their Mother Church in sacrificing truth in order to form an unlawful alliance with the world. ‘Father’ James O’Brien said, “That observance [of Sunday instead of Saturday] remains a reminder of the MOTHER CHURCH from which the non-Catholic sects broke away.” The Faith of Millions (Huntington, IN: Our Sunday Visitor, (Roman Catholic) Inc., 1974), p401.

### Verse 5: Babylon

Babylon originally meant “Gate to God.” The Papacy claims to be the only way to God and salvation. In the Bible Babylon means confusion (Gen 11:9).

### Verse 6: Drunken with saint’s blood

Inasmuch as “the blood...of ALL that were slain on earth,” is found in her (Rev 18:24) she apparently represents the dominant forms of false religion from the beginning of time, but particularly at its close. The clues most especially fit the Papal church.

This church martyred Christians during her period of supremacy. See on Daniel 7:25.

---

## THE TIME FRAME

In order to identify the “was,” “is not,” “shall be” periods of the "8th beast" we must identify the time frame from which the vision was explained.

### Verse 3: Away in the spirit into the wilderness

John was “carried...away in the spirit [in vision.]” This term is used when John is taken from his day to another time. (cf. Rev 21:10).

The explanation of the vision is not from John’s time because:

(a) He had been taken to another time.

(b) John was told that the beast He saw carrying the Papal church “WAS, and IS NOT.” This could only be said from a time after the Papal Church had risen.

The statement that the beast “was and is not” must refer to the beast carrying the whore. It cannot refer to the beast as a whole because the beast has always existed and certainly existed in John’s day in it’s Pagan Roman phase.

The time from which John saw the Papacy was after the Papacy had become rich and powerful, after she had martyred the saints, and after the Protestant Reformation. After the Papacy...

- (a) ...had become rich and powerful.
- (b) ...had drunken the blood of the saints.
- (c) ...had become a “Mother” church after the Protestant churches had come out from her (after the Reformation).

### **THE BEAST WITH 7 HEADS & TEN HORNS**

#### **Verse 8: The Beast**

A Beast represents a kingdom or nation (Daniel 7:23; 8:20-22). This beast represents Satan’s kingdom. The heads represent powers Satan has and will work through.

#### **Verses 9-10: Seven heads are Seven mountains...there are seven kings**

The seven heads symbolize seven successive kingdoms described in Daniel & Revelation that Satan has used and will use to oppose God’s work on earth:

- (a) The seven heads are said to be “seven mountains” (Rev 17:9) and mountains symbolize nations (Daniel 2:35, 44; Jer 51:24-25).
- (b) “And there are...” or “they are seven kings,” and kings also symbolize kingdoms (Daniel 7:17, 23).
- (c) Heads represent kingdoms as they did on the four-headed leopard of Daniel 7:6.

The heads 'live' sequentially, one after another: "five have fallen, one is..." (v 10).

As one head is taken away (conquered) another comes to life. The 'living' head at any time is said to be the beast of the time (cf. Rev 13:3, 14; Rev 17:11). The 'live' head, when John saw this beast supporting the Papal church, was the Papal State. Though the beast has 7 heads, and presumably 7 mouths, only one head reigns at a time and thus only one mouth speaks for the beast at a time (Rev 12:15).

The same seven heads and ten-horns are seen in Rev 11, 12, 13. The correct view will harmonize these three chapters. The beast from the bottomless pit in Rev 11 is the same seven-headed beast, though John does not describe its appearance. Rev 11 describes the coming to life of the atheistic state (head) which abolished the Papal State (head) in 1798.

In Revelation 12 the seven heads are crowned confirming that they are seven distinct kingdoms/nations.

In Revelation 13 one of the 7 heads was wounded. That head was the Papal State. (See on Rev 13). This indicates that the other heads are also State powers. Incidentally Rome is known as the city on seven hills. This has contributed to many identifying the whore as Rome.

### **Conclusions**

(a) Seven represents completeness. The heads form the complete set of corrupt forms of government from monarchy to republic. A complete set of persecuting nations must include pagan, papal, atheistic, and apostate protestant nations.

(b) All the state powers represented by beasts in Daniel & Revelation are included.

(c) Each head comes to power by conquering the previous head.

(d) The heads appear in order.

(e) The principle of repeat & enlarge indicates that Revelation 17 builds on earlier prophecies in which Babylon was the first.

(f) The 7 headed beast of Revelation 17 is the 7 headed beast of Revelation 13 which obviously draws its symbolism from Daniel 7 where the first nation was Babylon, as also in Daniel 2.

(g) In the Bible sevens are divided into 4-3:

4 Spring feasts - 3 Autumn feasts. (Lev 23)

4 horsemen - 3 non horsemen. (Rev 6)

4 Trumpets - 3 Woe trumpets. (Rev 8-9)

The 7 heads of Rev 17 follow this pattern. Of the seven heads:

4 are Old Testament nations - 3 are New.

4 are local powers - 3 are global powers.

See Appendix: Why the USA can be included as a head.

**8 Was, is not, shall ascend**

The beast can refer to one of its heads.

In Rev 13 one of the seven heads was wounded to death and later it is said that the beast was wounded (cf. Rev 13:3, 14). From our time, the time to which John had been carried in vision, the beast, as ruled by the papal state head, “was, and is not.” However it will “ascend” to life again. Rev 13:3 foretells that the deadly wound to the papal state head will be healed.

There **never has been a time when Satan has not worked through some earthly kingdom** to persecute God’s people. While the beast John saw “is not”, one head “is” (v 10).

### **The Bottomless Pit - (Gr. abussos)**

When the beast, as ruled by the papal head, “is not” it is said to be in the bottomless pit (v 8). The bottomless pit is the grave. The grave is a “pit” which cannot be filled, (Isa 38:18; Isa 14:19; Hab 2:5; Prov 30:16). The grave is therefore a bottomless pit. “Abussos,” translated “bottomless pit,” is also translated “deep,” in Rom 10:7 where it refers to the grave.

## FIVE ARE FALLEN

Ads not by this site

Verses 9-10: Five [heads] have fallen...

John evidently viewed events from the time of the 6th head. Five had fallen by that time:

1. Babylon,
2. Medo-Persia,
3. Greece
4. Pagan Rome
5. Papal Rome which received “the deadly wound” in 1798 (Rev 13:3) and gone into the grave (bottomless pit) so to speak.

## AND "ONE IS" -THE SIXTH HEAD - THE ATHEISTIC STATE

Verse 10: ...One is

The 6th head - the atheistic State, which conquered the Papal State, now “is” while the beast as ruled by the Papal head “is not.” This is the point in time from which John viewed the vision. Atheism arose in response to years of Papal oppression in France. (See on Revelation 11). Rome had misrepresented the character of God, and the French people, thinking Romanism was Christianity, rejected both the Bible and its Author. In rejecting Roman Catholicism as a deception the French were led by Satan to regard all religion as a deception. The masses, long trampled on by Rome, rose up against the oppressor with fury. As the atheistic state arose from the pit (Rev 11:7) it sent the Papal State into the pit, abolishing it, in 1798. (See Rev 13:3).

The French Revolution is recognized as the birthplace of the Communist State.

Time magazine, Dec. 11, 1989, stated that the communist party is “formally pledged to  
ATHEISM...”

In this period the world’s dominant nations act as essentially atheistic democracies or republics. Evolution, Abortion, Homosexuality, Lesbianism, Gay marriage, no absolute truth and man deciding what is right & wrong, are all outgrowths of Atheistic thinking.

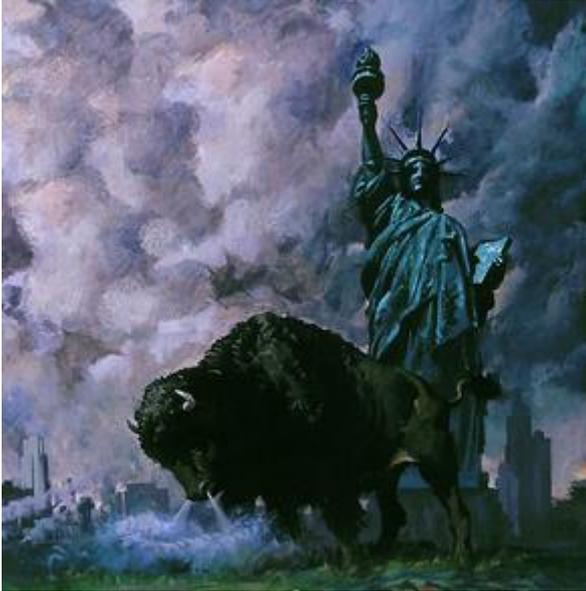

That which the beast supports today is Atheism which is as much a religion as Paganism or Papalism. Papalism is anti-Christ. Atheism is anti-god. What is the difference? Both are manifestations of the continual spirit of self exaltation. In Rev 11:8 the “great city which reigneth over the kings of the earth” was called “Egypt [Atheism. cf. Exo 5:2] where also our Lord was crucified” in the person of His saints.

In Rev 17:6 the “great city” (Rev 17:18) is called “Babylon [Catholicism] drunken with the blood of the saints.” Atheism and Catholicism, and indeed all false religions, are

the one city, the one woman, manifestations of the same “continual” pagan spirit of antichrist.

---

**...THE OTHER [THE 7TH] IS NOT YET COME**

In response to years of atheistic legislation, moral decay, etc. Protestant groups are today influencing the State to re-enforce Christian legislation. As Papalism bred Atheism so Atheism breeds Papalism. When Protestantism unites with the state to enforce its ideas it will have become an “image” of the Papal system - the image of the beast. (See Rev 13). The 7th head, the Apostate Protestant State is to take away the power of Atheism, enforce the worship of the beast (See Revelation 13:15), and “continue a short space” IN THE PERSECUTION OF THE SAINTS (verse 10) compared to all the previous heads (nations).

## THE "EIGHTH" HEAD

Ads not by this site  
verse 11 The 8th head

The number 8 is associated with resurrection:

- (a) Eight souls passed through Noah's Flood a kind of resurrection into the new world.
- (b) Christ rose on the "8th" day.
- (b) The first day of the week, the day Christ arose, is mentioned 8 times in the N.T.
- b) The feast of booths when the people lived away from home lasted 8 days. It prefigured the saints living in heaven following the first resurrection. Lev 23:39-43.
- (c) Circumcision, done the 8th day after birth, is likened to baptism where the old man is buried in the watery 'grave' and resurrected to newness of life. Luke 2:21; Col 2:11-12.

The 8th head "is of the seven," (v 11). It is the 5th head (the Papal head) returned to life - the deadly wound healed (Rev 13). The Papal head and the Apostate Protestant head (the image of the papacy) will exist together in the end: "If any man worship the beast AND his image..." (Rev 14:9).

" Yet under ONE HEAD - the papal power - the people will unite to oppose God in the person of His witnesses." 7T 182.

“Protestants will throw their whole influence and strength on the side of the Papacy; by a national act enforcing the false Sabbath, they WILL GIVE LIFE and vigor to the corrupt faith of Rome, **reviving her tyranny and oppression of conscience.**” Signs of the Times, 12 June, 1893.

In a secondary sense this may refer to Satan himself who was behind all seven heads - Revelation 12, the Dragon with 7 heads and ten horns. At the time of the 8th head he will personate Christ in a counterfeit Second Coming in a last desperate attempt to deceive the faithful (See Matt 24:23-26).

## THE TEN HORNS

### Verse 12: The ten horns

The principle that understanding comes by comparing “line upon line” (Isa 28:10) and the principle of repeat and enlarge indicate that these ten horns are those described in Daniel 7:7; Rev 12:3; 13:1 - the nations of Europe. All ten are still described though some no longer exist (Daniel 7:8), in the same way that all seven heads are described though several no longer exist. The 10 horns will receive a “kingdom” (singular) with the beast for “one hour.”

10 symbolizes "all" (Exo 20; Sol 5:10) and all. “These have one mind.” There will be a universal bond of union, one great harmony, a confederacy of Satan’s forces. “And shall give their power and strength unto the beast.” 3SM, 392.

### Verses 12-14: One hour - One mind

For one prophetic “hour” (possibly 15 literal days. See Appendix) all the corrupt powers will unite in purpose. This “hour” occurs during the “short space” the 7th head exists. They make war against Christ by condemning His people to death. Surrounded by enemies on all sides it will appear that the saints are to perish but God will cut short this time of trouble (cf. Matt 24:21-22; Dan 12:1). As the voice of God through

the Protestant Reformation cut short the Papacy’s ability to persecute in the past, so the Voice of God from heaven will cut short the coming time of trouble.

### Verse 15: Water represent peoples

Literal Babylon was supported by the literal waters of the literal Euphrates. This whore is symbolic of Spiritual Babylon and sits on the symbolic waters of the symbolic Euphrates which represents people’s, nation which support the system of Babylon.

### Verses 16-17: Hate the whore

Under the 6th plague the Euphrates, Babylon’s supporters will withdraw its support. See Revelation 16:12. Realizing that they have been deceived into supporting the corrupt church and are eternally lost, her former supporters will turn on the whore and destroy her. As they supported her for “one hour” so they will destroy her in “one hour.” (See Rev 18). “Make her desolate and naked.” Her lovers, the kings of the earth, expose & reject her.

“Burn her with fire.” The daughter of any priest which became a whore was to be burned. (Lev 21:9).

As the dogs ate Jezebel so the wicked ten horns “Shall eat her flesh.” (2Kings 9:35,36). As France, 1/10 of spiritual Babylon (Rev 11:13) turned on the corrupt church in Europe in 1798, so 10/10ths will turn against the corrupt church worldwide in the future.

### Verse 18: The woman is that great city

The immoral woman, the whore, is called “that great city,” “Babylon,” - confusion. She has confused and deceived the masses.

**The 8th head compared to Satan at the end of the Millennium (Rev 20)****8th HEAD - PAPAL STATE**

Arise from the bottomless pit.

A spiritual resurrection of the Papal state that gathers spiritually about spiritual Jerusalem intending to attack.

Continue a “short space” with the 7th head.

Leads the world to attack spiritual Jerusalem - the true church

“Goeth into perdition” (v 11; cf. 2Thess 2:3)

Wicked without the city (Rev 14:20).

Ads not by this site

**SATAN AT THE END OF 1000YRS**

Loosed from the bottomless pit

A literal resurrection of all the wicked that literally gather about literal New Jerusalem intending to attack.

“Loosed a little season” (Rev 20:3, 7).

Leads the resurrected wicked of all ages to attack the literal New Jerusalem.

Goes into perdition. (2Pet 3:7).

Wicked slain without the city (Rev 20:9).

**WHAT CAN WE LEARN?**

Revelation 17 shows the “continual” pagan spirit of self-exaltation spoken of by Daniel (See Daniel 8 Appendix). Though forms change, the same antichrist pagan spirit continues in every earthly power. Satan is the body of the beast, his spirit is seen in every head. Every form of false government is allowed its time. All must see that God’s government is the best so that “affliction shall not rise the second time.” (Na 1:9). Government based on force can only lead to death. Only God’s government, in which every citizens loves to obey the law, can endure for eternity.

### Revelation 13

Beast with 7 heads, ten horns.

“Names of blasphemy” (v 1 margin).

“One of his heads... wounded to death.”  
(v 3).

“and his deadly wound was healed.” (v 3).

“All the world wondered after the beast.”  
(v 3, 12, 14).

“And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.”  
(v 8).

“Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.” (v 18).

### APPENDIX

The woman is not the literal city of Babylon

(a) This woman sat on 7 mountains (v 9) but literal Babylon did not.

(b) Literal Babylon is a ruin never to be inhabited (Isa 13:19-20).

(c) Literal Babylon sat on the literal waters of the literal river Euphrates. The waters upon which this whore sits are symbolic and are said to represent nations in verse 15.

### Revelation 17

Beast with 7 heads, ten horns.

“Full of names of blasphemy.” (v 3).

Beast “Is not” for a period of time. (v 8, 11).

“Shall ascend out of the bottomless pit.”  
(v 8).

“They that dwell on the earth shall wonder.”  
(v 8).

“they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world.” (v 8).

“ And here is the mind which hath wisdom. The seven heads are seven mountains... seven kings: five are fallen, and one is [6th], and the other [7th] is not yet come.” (v 9).

**Is the two horned beast (the USA. See on Rev 13:11) one of the seven heads?**

The 7 heads are persecuting powers. The lamb-like beast starts off as a defender of religious liberty. The image to the Beast formed by the USA, becomes a persecuting power and is therefore the 7th head of the Beast disguised like its mother as Christianity.

**A prophetic hour**

The ten horns give their support to the beast for “one hour.” This “hour” apparently begins when the nations of the world agree to enforce the mark of the beast under the penalty of death.

As it is unlikely that the nations give their power for just 60 literal minutes, the “hour” is evidently symbolic. As a symbolic day represents a year (Eze 4:6; Num 14:34) a symbolic hour (1/24th of a day) would be 1/24th of a year, i.e. about 15 literal days. As the last test will be over which day of the week we observe 15 days would include two Sundays. Thus, as the three Hebrews in Dan 3 were given 2 chances to worship the image, so the end time saints may well be given 2 chances to worship the symbolic image under the penalty of death!

Only if the “hour” is understood as a symbol do we have every measure of time used symbolically in prophecy:

Year (Dan 7:25); Month (Rev 13:5); Week (Dan 9:24-27); Day (Rev 12:6); Hour (Rev 17:12; 9:13).

**Is the 6th head Rome because 6 is Babylon’s number?**

(a) There is no precedent that Rome is always 6th. Rome is the 4th kingdom in Daniel 2 and Daniel 7.

(b) 666, a trinity of sixes, is the number of the beast as a whole, not just Rome.

(c) The 6th head “is” when the beast “is not.” When the beast “is not” parallels the Papal head wounded to death in Rev 13. The 6th head cannot therefore be Rome.

(d) If the 6th head were Rome then one needs to find five heads prior to Rome. This leads to the inclusion of powers not figuring in the foundational prophecies of Dan 2, 7 (i.e. Egypt, Assyria) violating the repeat and enlarge principle.

(e) If Rome were the 6th head the 7 heads would not appear to follow the 4-3 pattern in which the first 4 of any 7 form a set and the last 3 form another set. See on v 9-10.

(f) The first heads came to power by conquering their predecessors. If the 6th head were Rome existing today who could be the 7th head which conquers it?

**Seven indicates completeness. Could the heads represent all evil nations?**

(a) The head that was wounded in Rev 13 was the Papal State. This suggests that the other heads are identifiable powers.

(b) The angel describes events specifically from the time of the sixth head saying five are fallen. What would 5 symbolize?

**Should Pagan and Papal Rome be one head as they are one metal in Dan 2 and one horn in Dan 8?**

(a) They are sufficiently different that a change in symbol from dragon to beast is given between Rev 12 and 13. The dragon (focus on Pagan Rome) gave the beast (focus on Papal Rome) his power, seat, and great authority.”

(b) Pagan Rome had to be “taken out of the way” to allow the rise of Papal Rome in 2Thess 2.

### Could the seven heads be seven Popes?

This is doing the rounds at the moment and is a false prophecy. Folk speculate because they fail to stick to the biblical interpretation of the prophetic symbols. One cannot deviate from this basic rule else one will inevitably arrive at false conclusions.

All the symbols used in Daniel and Revelation to represent Kingdoms, Nations and Powers MEET in Revelation 17 as follows:

1. Heads
2. Beasts.
3. Horns.
4. Seas / Waters
5. Mountains
6. Kings

Furthermore there are **only seven beasts** in Daniel and Revelation which represent the seven powers that have affected God's people. Seven signifies completeness in the Bible:

- a). 7 days in a week
- b). 7 times of Daniel 4
- c). 7 times of Peter
- d). 7 times around Jericho
- e). 7 spirits
- f). 7 churches
- g). 7 seals
- h). 7 trumpets
- i). 7 last plagues etc. etc

The Dragon with seven heads & ten horns of Revelation 12 represents the seven different powers which war against God and his people. Four of these beasts (kingdoms etc) are found in Daniel and three in Revelation:

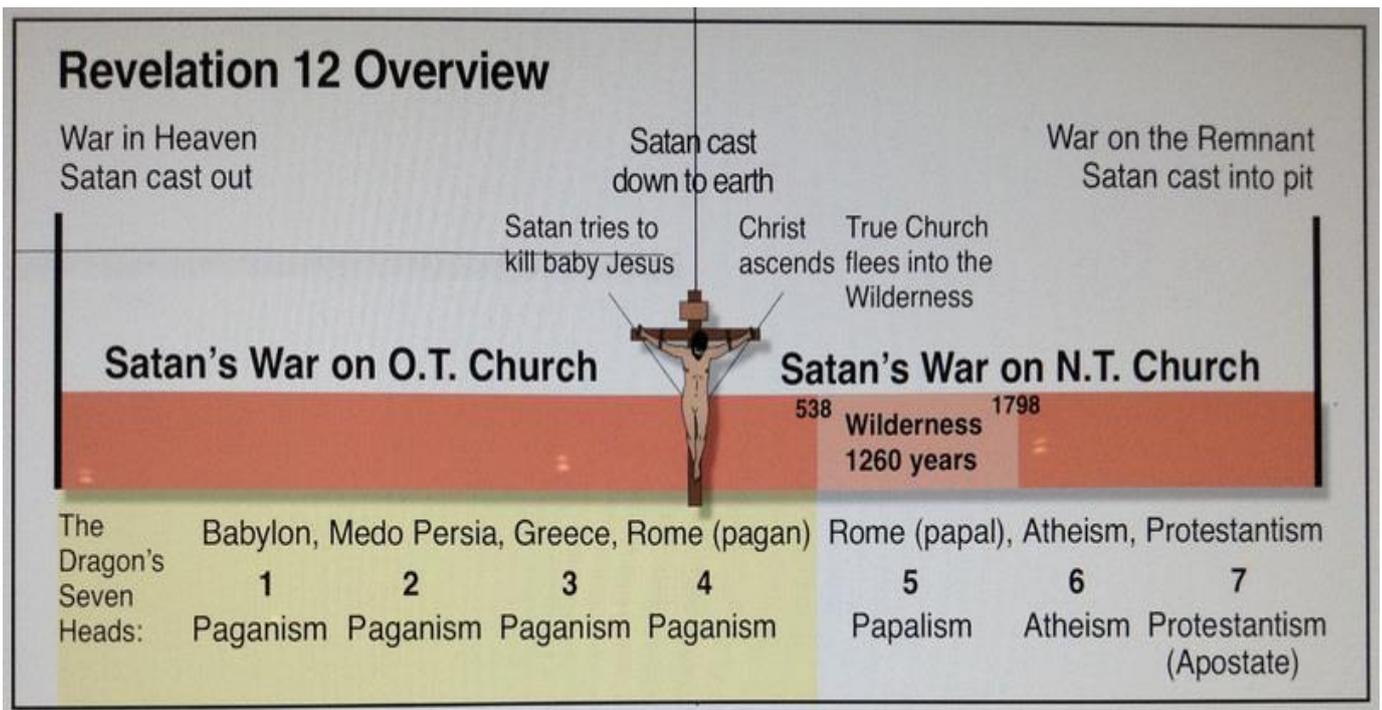

1. Lion
2. Bear
3. Leopard
4. Fourth Beast of Daniel 7
5. Beast with seven heads & ten horns of Revelation 13:1-10
6. Beast that ascends out of the Bottomless pit of Revelation 11
7. Beast with Lamblike horns of Revelation 13:11-17

The Ram and He-Goat do not figure in the equation as they represent the same powers as the Bear and Leopard and are not ravenous wild beasts like the Lion, Bear, Leopard etc. They are Sanctuary animals used in a cultic way to symbolise **Pagan(ism)** powers.

Hence Rev 17 is a summary of all the beast powers that have existed from the time of Babylon to the coming of Christ and the destruction of these powers. The so called "8th head" (there is no eighth beast in prophecy) is simply the fifth beast power (the Papacy or the union of Church & State) "resurrected" following its deadly wound, i.e.. "the **beast** (singular) that was....is not and yet is"

Hence the following is the position which harmonises the seven heads of the Dragon of Rev 12 and Beasts of Rev 13 and 17 in keeping with the seven different beasts found in Daniel & the Revelation.

**The 7 Mountains, 7 Heads & 7 Kings of Revelation 17**

**These are all representations of Paganism in one form or another. Papalism and Apostate Protestantism are simply Paganism in disguise i.e. with a Christian veneer to them.**

These seven powers are also found symbolically in the book of Daniel as follows:

1. Head of Gold & Lion = Babylon
2. Silver chest, Bear, Ram = Medo-Persia
3. Brass trunk, Leopard, He-Goat = Grecia
4. Iron legs, Non-descript 4th beast, little horn of Daniel 8 = Pagan Rome
5. Feet of Iron & Clay, Little Horn of Daniel 7&8, King of the North = Papal Rome
6. King of the South = Atheism
7. Feet of Iron & Clay (Church & State) = Apostate Christianity / USA

We presently live in the time of the 5th & 6th Kings as they do battle in Daniel 11. Witness the King of the North (Papacy) of Daniel 11:40 with the help of the 7th king coming at the King of the South like a whirlwind and dismantling it piece by piece. One way or another, China and Korea will "fall" whether it be sanctions, the attractions of capitalism, coca cola, KFC or Maccas etc, either ways, the Sixth King will not stand.

The prophecies tell us that the destruction of this world will be ushered in by "CHRISTIANITY" i.e. APOSTATE CHRISTIANITY as commandeered by the 7th beast (USA - union of church & state) - the so called "arms" of the Papacy. The greatest enemy of mankind is of course Satan (that spirit of **self** exaltation) as embodied in the so called Christian Nations of the World, foremost of which will be the 7th beast as she resurrects that instrument of persecution - the union of CHURCH & STATE, a representation of Papal Rome .

Daniel 2 bears this out in the feet of Iron & Clay: Iron (Rome) + Clay (religion) = Papal Rome.

Hence the feet of Iron & Clay represents the union of Church and State, a symbol of both Papal Rome and her image forming daughter, Apostate Protestantism / USA

Furthermore this consistency is seen in Daniel 7 where **the fourth beast is said to be the fourth kingdom.**

The fourth kingdom of Daniel 2 is expressed in the form of Iron & Clay at the feet - the union of church and state. Therefore, somewhere in the anatomy of the fourth beast of Daniel 7 we must find a representation of the iron and clay or the union of church & state as found in Daniel 2.

Indeed this is found to be the case in the symbol of **the Little Horn** of Daniel 7.

To take this a step further, the Daily of Daniel 8, 11 & 12, then makes sense and fits in beautifully with the position of the Pioneers, i.e. those who gave the judgment hour cry. The transition from Pagan Rome to Papal Rome with Papal Rome taking up the Paganism of the power which gave her, her seat as it "Ruwms" in Daniel 8 and then "Suwrs" in Daniel 11, the Daily.

See the study on the Daily at [www.livingwatersmissionschool.com](http://www.livingwatersmissionschool.com) under the Daniel 8 menu.

The Paganism of the 5th & 7th Beasts in their doctrinal positions deceiving the Remnant Church as she lies in transgression with these two powers against the God

of heaven resulting in the loss of eternity of a **professed people** who were so close to the truth. Compare with the Jews and the 70 weeks prophecy of Daniel 9. No wonder the SOP "trembled for our people": "I knew that the omega would follow in a little while; **and I trembled for our people.** I knew that I must warn our brethren and sisters not to enter into controversy over the presence and personality of God. The statements made in Living Temple in regard to this point are incorrect. The scripture used to substantiate the doctrine there set forth, is scripture misapplied." {1SM 203.2}

Hence the Destruction of this world and loss of eternal life will be accomplished not by Islam, China, Buddhism, or any other "ism" but by so called " professed Christianity" - Marvellous how Satan the great deceiver takes the name of the very religion which is supposed to save the world and deceptively uses it for the purpose of destroying the world. Billions think they are worshipping the one true God of Christianity when it is none other than the Paganism of Satan "standing in the Holy Place" of the Sanctuary pretending to be God, something he has always wanted to be - I SHALL BE LIKE THE MOST HIGH ... and "all" the world said amen and wondered after the beast which shall go into perdition.
