Preparing for the Image of the Beast.--Already preparations are advancing, and movements are in progress, which will result in making an image to the beast. Events will be brought about in the earth's history that will fulfill the predictions of prophecy for these last days (RH April 23, 1889). {7BC 976.1}

(2 Thess. 2:3, 4.) Living in a Momentous Period.--We are living in a momentous period of this earth's history. The great conflict is just before us. We see the world corrupted under the inhabitants thereof. The man of sin has worked with a marvelous perseverance to exalt the spurious sabbath, and the disloyal Protestant world has wondered after the beast, and has called obedience to the Sabbath instituted by Jehovah disloyalty to the laws of the nations. Kingdoms have confederated to sustain a false sabbath institution, which has not a word of authority in the oracles of God (RH Feb. 6, 1900).  
{7BC 977.6}

Daniel Standing in His Lot Now.--[Dan. 12:9, 4, 10, 13 quoted.] The time has come for Daniel to stand in his lot. The time has come for the light given him to go to the world as never before. If those for whom the Lord has done so much will walk in the light, their knowledge of Christ and the prophecies relating to Him will be greatly increased as they near the close of this earth's history (MS 176, 1899).

I believe in an America where the separation of church and state is absolute - where no Catholic prelate would tell the President (should he be Catholic) how to act, and no Protestant minister would tell his parishioners for whom to vote - where no church or church school is granted any public funds or political preference - and where no man is denied public office merely because his religion differs from the President who might appoint him or the people who might elect him.

I believe in an America that is officially neither Catholic, Protestant nor Jewish - where no public official either requests or accepts instructions on public policy from the Pope, the National Council of Churches or any other ecclesiastical source - where no religious body seeks to impose its will directly or indirectly upon the general populace or the public acts of its officials - and where religious liberty is so indivisible that an act against one church is treated as an act against all.

The President of the United States has said he wants fellow world leaders to reflect on Pope Francis's encyclical.

Laudato Si', published yesterday, called for humanity to change its approach to the environment and the way it judged progress.

Barack Obama spoke of the responsibility that his own job title brings in leading the way towards a change in global environmental policy.

On Friday, at the Family Research Council's convention in Washington, D.C., Donald Trump is expected to reiterate his call to repeal the Johnson Amendment, in line with a similar call in the GOP platform.

During his acceptance speech, Trump thanked the evangelical community for their support, adding:

You have so much to contribute to our politics, yet our laws prevent you from speaking your minds from your own pulpits. An amendment, pushed by Lyndon Johnson many years ago, threatens religious institutions with a loss of their tax-exempt status if they openly advocate their political views.

I am going to work very hard to repeal that language and protect free speech for all Americans.

# THE SIGNAL TO FLEE

# POPE FRANCIS ASKS FORGIVENESS

# THE SIGNAL (5 Testimonies)

But Romanism as a system is no more in harmony with the gospel of Christ now than at any former period in her history. The Protestant churches are in great darkness, or they would discern the signs of the times. The Roman Church is far-reaching in her plans and modes of operation. She is employing every device to extend her influence and increase her power in preparation for a fierce and determined conflict to regain control of the world, to re-establish persecution, and to undo all that Protestantism has done. Catholicism is gaining ground upon every side. See the increasing number of her churches and chapels in Protestant countries. Look at the popularity of her colleges and seminaries in America, so widely patronized by Protestants. Look at the growth of ritualism in England and the frequent defections to the ranks of the Catholics. These things should awaken the anxiety of all who prize the pure principles of the gospel. {GC 565.4}

# THE SIGNAL (5 Testimonies)

The Roman Church now presents a fair front to the world, covering with apologies her record of horrible cruelties. She has clothed herself in Christlike garments; but she is unchanged. Every principle of the papacy that existed in past ages exists today. The doctrines devised in the darkest ages are still held. Let none deceive themselves. The papacy that Protestants are now so ready to honor is the same that ruled the world in the days of the Reformation, when men of God stood up, at the peril of their lives, to expose her iniquity. She possesses the same pride and arrogant assumption that lorded it over kings and princes, and claimed the prerogatives of God. Her spirit is no less cruel and despotic now than when she crushed out human liberty and slew the saints of the Most High. {GC 571.1}

# Prophecy Update: Donald Trump Nominates Jesuit Educated Kavanaugh

By David144 - July 13, 2018 381 0

# THE SIGNAL (5 Testimonies)

**"When Protestantism shall stretch her hand across the gulf to grasp the hand of the Roman power, when she shall reach over the abyss to clasp hands with spiritualism, when, under the influence of this threefold union, our country shall repudiate every principle of its Constitution as a Protestant and republican government, and shall make provision for the propagation of papal falsehoods and delusions, then we may know that the time has come for the marvelous working of Satan and that the end is near."** (EGW 5T Page 451)

# THE SIGNAL (5 Testimonies)

- “And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.” ([Revelation 13:11](#))
- “The lamblike horns and dragon voice of the symbol point to a striking contradiction between the professions and the practice of the nation thus represented. ***The “speaking” of the nation*** is the action of its legislative and ***judicial authorities***.” (The Great Controversy Page 442) ([See Bible Study on United States in Prophecy Here](#))
- We will see shortly whether Donald Trump’s judicial nomination of Brett Kavanaugh stands. But if we understand that the lamblike beast (America) is to speak like a dragon through the “Judicial authorities”, it may be of prophetic interest as to who is the next judge elected to the supreme court.

# THE SIGNAL (5 Testimonies)

- One of the front runners who was also nominated by Trump to the US Court of Appeals 7<sup>th</sup> Circuit was Amy Coney Barrett who has said in an article entitled “Catholic Judges in Capital Cases” that it is the duty of judges to put their faith above the constitution. This was one of Trump’s front runners for the supreme court which we are told is to speak like a dragon.

# THE SIGNAL (5 Testimonies)

## • **Brett Kavanaugh – A Jesuit Nominated? – Jesuits Traitors**

• Interestingly however, Brett Kavanaugh was Donald Trump's pick as a nominee for the supreme court. And the first thing he talked about when elected was his Jesuit education. What's the big deal about the Jesuits? Don't miss this next quote from former President Abraham Lincoln:

• “I will be forever grateful for the warning words you have addressed to me about the dangers ahead to my life, from Rome...The pope ***and the Jesuits***, with their infernal inquisition, are the only organized powers in the world which have recourse to the dagger of the assassin **to murder those who they cannot convince with their arguments or conquer with the sword.**

• But it is more a religious than a civil war. It is Rome who wants to rule and degrade the North, as she has ruled and degraded the South... But it is very certain that ***if the American people could learn what I know of the fierce hatred of the priests of Rome against our institutions, our schools, our most sacred rights, and our so dearly bought liberties, they would drive them away tomorrow from among us, or they would shoot them as traitors.***” — Fifty Years in the Church of Rome, pp. 294, 295.

"I FEEL MORE AND MORE EVERY DAY THAT IT IS NOT AGAINST THE AMERICANS OF THE SOUTH ALONE, I AM FIGHTING. IT IS MORE AGAINST THE POPE OF ROME, HIS JESUITS AND THEIR SLAVES."

-ABRAHAM LINCOLN

# THE SIGNAL (5 Testimonies)

- They would shoot the Jesuits as traitors if they knew what the Jesuits were? Now with such a letter coming from former President Lincoln whom many say was assassinated by the Jesuits, should we be alarmed that President Trump just picked a Jesuit educated judge to fill the spot of Justice Kennedy and in turn have 6 of the 9 Supreme Court judges being Catholic.

- **Protestant Government – Reps Elected to Protect Constitution and Liberty**

- Here is some more history we should be aware of. From the Book Great Controversy we are told:

- “And he had two horns like a lamb.” The lamblike horns indicate youth, innocence, and gentleness, fitly representing the character of the United States...**And the Constitution** guarantees to the people the right of self-government, **providing that representatives elected by the popular vote shall enact and administer the laws.** Freedom of religious faith was also granted, every man being permitted to worship God according to the dictates of his conscience. **Republicanism and Protestantism became the fundamental principles of the nation.** These principles are the secret of its power and prosperity.” { Great Controversy Page 441}

# THE SIGNAL (5 Testimonies)

- The government was considered a protestant government. And they are elected to enact and administer the laws, that is the constitution. Former Presidents like Thomas Jefferson explained that in order to ensure freedom in the United States the separation of Church and State was absolutely necessary. James Madison the fourth president said that the reason for the first amendment was to keep forever from the shores of the United State the ceaseless blood that was spilled by the priests in Europe from being spilled over in America.

- These men understood the necessity of a Protestant government. But now we have an almost two thirds Catholic government and none alarmed. And those who are not Catholic are no longer protesting the atrocities that happened during the dark ages.

- And thus it seems we are almost ripe for fulfilling prophecy. The lamblike beast, the United States is speaking like a dragon through its law making and judicial authorities. The executive order signing pen of Donald Trump has been all but given to the Church, Trump fulfilling his promise to “give power back to the church.” The fulfillment of this beast the United States “exercising **all the power** of the first beast” is about to come to pass. (See [Rev 13:12](#))

# THE SIGNAL (5 Testimonies)

- The fact that Trump picked someone who has a Jesuit education is so serious, that only those with an understanding of history will see the significance. The history of the Jesuits tells us one thing very clearly. That is that they hate the constitution of the United States which ensures liberty. Especially the first amendment which protects liberty of conscience.

- “Protestants have tampered with and patronized popery; they have made compromises and concessions which papists themselves are surprised to see and fail to understand. Men are closing their eyes to the real character of Romanism and the dangers to be apprehended from her supremacy. The **people need to be aroused to resist the advances of this most dangerous foe to civil and religious liberty.**” (Great Controversy Page 566)

- This was written over 100 years ago. It was well known what would come to pass in the United States.

# THE SIGNAL (5 Testimonies)

- **Jesuit Oath – Spy, Get into Judicial Positions – Exterminate Heretics**
- The Jesuit Oath of Induction is also recorded in the Congressional Record of the U.S. (House Bill 1523, Contested election case of Eugene C. Bonniwell, against Thos. S. Butler, Feb. 15, 1913, pp. 3215-3216).there Notice what it says firstly:
- “You have been taught your ***duty as a spy***, to gather all statistics, facts and information in your power from every source; to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, ***in parliaments and legislatures, and the judiciaries and councils of state***, and to be all things to all men, for the Pope’s sake, whose servants we are unto death.”
- Interesting that it tells us that they are to be spys in legislature, but also judiciaries. So it is interesting that the judge being appointed by Trump is Jesuit eductated. But furthermore, notice what else this shocking oath says:

HERE IS THE CATHOLIC JESUIT OATH: "THE INITIATOR"

**"My son, heretofore ..."**

**"you have been taught to act  
the dissembler ..."**

**"Among the Reformers to  
be a Reformer .."**

**"... among the Calvinists to  
be a Calvinist ..."**

**"among the Protestants to be  
a Protestant ..."**

**"and obtaining their confidence  
to seek ..."**

**"even to preach from their  
pulpits ..."**

**"You have been taught your duty as a spy ..."**

**"to ingratiate yourself into the confidence of ... heretics ..."**

**"of every class and character ..."**

**"... as well as among the schools and universities."**

**"By 1556, three-fourths of the Society's membership were dedicated in 46 Jesuit colleges ..."**

**"to learning against learning ..."**

**"to indoctrinating minds with the learning of illuminated humanism ..."**

**"as opposed to the learning of Scripture."**

**"This network would expand by 1749 to 669 colleges, 176 seminaries, 61 houses of study, and 24 universities ..."**

**"partly or wholly under Jesuit direction."**

**Source: "Rulers of Evil" by F. Tupper Saussy, p. 65**

# THE SIGNAL (5 Testimonies)

- In an article recently written [in the New York Times](#) we read: “With the nomination of Judge Kavanaugh, 53, now a federal appeals court judge, Georgetown Prep, ***an elite Jesuit high school*** just outside Washington, D.C., could have the distinction of having two alumni on the nation’s highest court.”
- This would be the second Jesuit educated Judge that Trump has put on the supreme court.
- **Loyalty to Pope over Constitution Despite Vows**
- Where does the loyalty of the Jesuit lie?
- “Whatever their nationality or their government, they are to regard the authority of the church as above all other. ***Though they may take the oath pledging their loyalty to the state, yet back of this lies the vow of obedience to Rome***, absolving them from every pledge inimical to her interests.” (Great Controversy Page 580)
- Did you get that? They make take an oath to uphold the constitution, but like Amy Coney Barrett, their religion comes first above it. Donald Trump himself went to a Jesuit University. Pope Francis is the first Jesuit Pope. Jesuits seem to be getting into the highest places of authority. And Brett Kavanaugh was very quick to mention his Jesuit education as something very important. Why? When no religious test matters?

# THE SIGNAL (5 Testimonies)

- **Jesuits Most Satanic Sect**

- Former President John Adams once wrote to former President Thomas Jefferson saying:

•  
**“I am not happy about the rebirth of the Jesuits. Swarms of them will present themselves under more disguises ever taken by even a chief of the Bohemians, as printers, writers, publishers, school teachers, etc. If ever an association of people deserved eternal damnation, on this earth and in hell it is this Society of Loyola.(Jesuits)”**

# THE SIGNAL (5 Testimonies)

- Do you think it might be possible that these former Presidents like Lincoln, Jefferson, Madison, Adams, would never have chosen a Jesuit as part of the Supreme Court of America? It was only recently that House Speaker Paul Ryan said that we need more Catholics in power. Why? Maybe some of these people understand
- the agenda, although it is possible that many have not understood what they stand for:
- “When appearing as members of their order, they wore a garb of sanctity, visiting prisons and hospitals, ministering to the sick and the poor...Under various disguises the Jesuits worked their way into offices of state, **climbing up to be the counselors of kings, and shaping the policy of nations. They became servants to act as spies upon their masters...**The Jesuits rapidly spread themselves over Europe, and wherever they went, there followed a revival of popery.” (Great Controversy 235)

# THE SIGNAL (5 Testimonies)

• The Jesuit inquisition should remind us why we need to understand history and what was fought for in America, liberty of conscience, freedom, is being made war on, almost secretly, however, with Trump offering power back to the evangelicals, and the evangelicals uniting together with the Papacy, there is a true movement here. Some will see and understand that all of this prophecy that is taking place is leading finally to the enforcement of Religious observances in the United States. And if you can't see this, take a look at the previous prophecy updates to see that it is well documented fact and well under

# THE SIGNAL (5 Testimonies)

- **Ultimate Goal – Religious Observances Enforced by Secular Laws– Church Domination of the State**
- “And let it be remembered, it is the boast of *Rome that she never changes*. .. Protestants little know what they are doing when they propose to accept the aid of Rome in the work of Sunday exaltation. While *they are bent upon the accomplishment of their purpose*, Rome is aiming to re-establish her power, to recover her lost supremacy. *Let the principle once be established in the United States that the church may employ or control the power of the state; that religious observances may be enforced by secular laws*; in short, that the authority of church and state is to dominate the conscience, and the triumph of Rome in this country is assured. (Great Controversy 581)
- The Papacy has leopard spots, and the Bible tells us that a leopard cannot change its spots.

# THE SIGNAL (5 Testimonies)

- And this book Great Controversy was written over 100 years ago. Perhaps foretelling the future is possible. It is called prophecy. And the Bible tells us that he gives to his last day people a special gift. That is “the spirit of prophecy.”
- “And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.” ([Revelation 12:17](#))  
“The testimony of Jesus is the Spirit of Prophecy.” ([Rev 19:10](#))
- The Dragon has a woman riding his back. The Church using the State power to make war on God’s last day people who see and understand what God has shown us concerning these last day events.

# THE SIGNAL (5 Testimonies)

- Throughout Christendom, Protestantism was menaced by formidable foes. The first triumphs of the Reformation past, Rome summoned new forces, hoping to accomplish its destruction. At this time the order of the Jesuits was created, the most cruel, unscrupulous, and powerful of all the champions of popery. Cut off from earthly ties and human interests, dead to the claims of natural affection, reason and conscience wholly silenced, they knew no rule, no tie, but that of their order, and no duty but to extend its power. (See Appendix.) The gospel of Christ had enabled its adherents to meet danger and endure suffering, undismayed by cold, hunger, toil, and poverty, to uphold the banner of truth in face of the rack, the dungeon, and the stake. To combat these forces, Jesuitism inspired its followers with a fanaticism that enabled them to endure like dangers, and to oppose to the power of truth all the weapons of deception. There was no crime too great for them to commit, no deception too base for them to practice, no disguise too difficult for them to assume. Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power, to be devoted to the overthrow of Protestantism, and the re-establishment of the papal supremacy. {GC 234.2}

# THE SIGNAL (5 Testimonies)

- When appearing as members of their order, they wore a garb of sanctity, visiting prisons and hospitals, ministering to the sick and the poor, professing to have renounced the world, and bearing the sacred name of Jesus, who went about doing good. But under this blameless exterior the most criminal and deadly purposes were often concealed. It was a fundamental principle of the order that the end justifies the means. By this code, lying, theft, perjury, assassination, were not only pardonable but commendable, when they served the interests of the church. Under various disguises the Jesuits worked their way into offices of state, climbing up to be the counselors of kings, and shaping the policy of nations. They became servants to act as spies upon their masters. They established colleges for the sons of princes and nobles, and schools for the common people; and the children of Protestant parents were drawn into an observance of popish rites. All the outward pomp and display of the Romish worship was brought to bear to confuse the mind and dazzle and captivate the imagination, and thus the liberty for which the fathers had toiled and bled was betrayed by the sons. The Jesuits rapidly spread themselves over Europe, and wherever they went, there followed a revival of popery. {GC 235.1}

- To give them greater power, a bull was issued re-establishing the inquisition. (See Appendix.) Notwithstanding the general abhorrence with which it was regarded, even in Catholic countries, this terrible tribunal was again set up by popish rulers, and atrocities too terrible to bear the light of day were repeated in its secret dungeons. In many countries, thousands upon thousands of the very flower of the nation, the purest and noblest, the most intellectual and highly educated, pious and devoted pastors, industrious and patriotic citizens, brilliant scholars, talented artists, skillful artisans, were slain or forced to flee to other lands. {GC 235.2}
- Such were the means which Rome had invoked to quench the light of the Reformation, to withdraw from men the Bible, and to restore the ignorance and superstition of the Dark Ages. But under God's blessing and the labors of those noble men whom He had raised up to succeed Luther, Protestantism was not overthrown. Not to the favor or arms of princes was it to owe its strength. The smallest countries, the humblest and least powerful nations, became its strongholds. It was little Geneva in the midst of mighty foes plotting her destruction; it was Holland on her sandbanks by the northern sea, wrestling against the tyranny of Spain, then the greatest and most opulent of kingdoms; it was bleak, sterile Sweden, that gained victories for the Reformation. {GC 235.3}

## Prophecy Update: Trump's Executive Order Removing Wall of Separation for Image of the Beast

July 15, 2018  833

# THE SIGNAL (5 Testimonies)

- “And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed... saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.” (Revelation 13:11-14)
- Forced worship is what awaits the Constitutional republic of the United States, according to Bible prophecy. It has a lamblike profession, but it speaks through it’s legislation in the most contrary manner to the lamb. Notice what the lamblike beast does with fire: “And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men...”. This brings to mind the scenes of Elijah when the king of Israel’s soldiers knew and tried to take captive a “man of God”. However, this power is not of God, but of the dragon, that is, of Satan (Revelation 12:9), despite claiming to be the bastion of freedom and independence it once was, it will, like the zealous disciples who wanted to avenge the supposed rejection of Christ, seek to destroy rather than save. “And when his disciples James and John saw this, they said, Lord, wilt thou that we command fire to come down from heaven, and consume them, even as Elijah did? But he turned, and rebuked them, and said, Ye know not what manner of spirit ye are of. For the Son of man is not come to destroy men’s lives, but to save them...” (Luke 9:54-56)

- A lamb that speaks as a dragon claims to save men's lives through intolerance and threatening persecution. We're told the characteristics of the dragon in Revelation 12:17: "And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ." Like John and James, America will become decidedly hostile towards the commandment keeping people of God, and towards "the testimony of Jesus Christ, which is the Spirit of prophecy." (Rev. 19:10)
- Because this prophecy testifies against them, they will desire smooth words, of whom it is written, "That this is a rebellious people, lying children, children that will not hear the law of the LORD: Which say to the seers, See not; and to the prophets, Prophecy not unto us right things, speak unto us smooth things, prophecy deceits..." (Isaiah 30:9-10) This means that America, in furthering the interests of the Evangelical Protestant churches, will become professedly Christian, professedly followers of the Lamb, yet in works, they shall deny Him. Against His law and against His prophetic message, the church in America are "rebellious children".

We are told that America's lamblike beast will speak as a dragon, saying that they should make [an image to the first beast](#), which is the Papal church and state that soaked the soil of Europe in the blood of Christians for centuries. In order to control the consciences of the people, the early church sought the support of the secular power. The result was the papacy, a church that controlled the power of the state and employed it to further her own ends, especially for the punishment of "heresy." In order for the United States to form an image of the beast, the religious power must so control the civil government that the authority of the state will also be employed by the church to accomplish her own ends.

- ERASING CHURCH/STATE BARRIERS: THE IMAGE OF THE BEAST
- This [image of the beast](#), that is, church and state power working together to further the ends of the churches is now vividly on display in the White House, via a recent executive order signed by Trump. President Trump in his Rose Garden ceremony Thursday 12<sup>th</sup> May 2018 announced an executive order he said would expand government grants to and partnerships with religiously-affiliated groups through a new faith-based office — a move described by one of his top faith advisers as aimed at changing the culture to produce fewer discussions about church-state barriers with “all of these arbitrary concerns as to what is appropriate.”
- Donald Trump in May 2018 announced the “Faith and Opportunity Initiative”. It is a faith based office directly located in the White House, composed of predominantly Evangelical Protestants, the only advisory faith-group that has open access to the President.

# THE SIGNAL (5 Testimonies)

- TO CREATE FAITH POLICIES
- This office is very clear on why it was established. “The faith initiative will help design new policies that recognize the vital role of faith in our families, our communities and our great country,” Trump said Thursday, the National Day of Prayer, in the White House Rose Garden. “This office will also help ensure that faith-based organizations have equal access to government funding and the equal right to exercise their deeply held beliefs...Faith is more powerful than government, and nothing is more powerful than God.”
- What is this office in the White House for? It’s to help design policies, laws, for families, communities, and the country. While it claims to be friendly towards all faiths, the Evangelical stance has done everything it can to breathe life into the image of the beast. Intolerance is largely the very air that the Evangelical Protestants have been breathing as Trump’s advisors. While saying it promotes the interests of religious liberty, by Trump’s actions and the advisory board’s counsels, it is becoming increasingly clear to all that the interests are furthering the church’s agenda to employ state power in the United States.
- Daniel Mach, director of the ACLU Program on Freedom of Religion and Belief has already made a hardline statement on Trump’s “religious liberty” policies. “Trump’s action and policies turn religious liberty on its head,...Through his Muslim [travel] ban, the president has shown outright hostility toward an entire faith. At the same time, his administration has embraced the deeply troubling idea that religious freedom is a blank check to discriminate and to harm others.” In Mach’s comments regarding the Faith and Opportunity Office to NBC News when he said the following: “This administration has continually promoted the troubling notion that religious freedom is a blank check to discriminate and harm others...This new initiative creates a bureaucratic regime and adopts policy preferences that will worsen that disturbing trend.”

- Members of Trump's evangelical advisory council celebrated the news of the new faith-based office in the White House. "I could not be more proud to stand with President Trump as he continues to stand shoulder to shoulder with communities of faith," evangelical preacher and advisor Paula White told news source RNS, "This order is a historic action, strengthening the relationship between faith and government in the United States and the product will be countless, transformed lives."
- Another Evangelical advisor, Johnnie Moore, the spokesman for the president's Evangelical Advisory board, made more startling comments from the White House. Moore told the Washington Post's Michelle Boorstein that Trump's office would worry less "where the church-state barriers are," allowing government-religious partnerships to function "without all of these arbitrary concerns as to what is appropriate."

Spokesman for Trump's faith advisors says the difference is this faith office isn't as focused on "where the church-state barriers are" and thinks govt-religion partnerships should focus on effective programs "without all of these arbitrary concerns as to what is appropriate"

Previous presidents made a huge public deal out of announcing their efforts to partner with faith groups. The White House appears to have scrambled to add it. And on the same day Giuliani confirmed the Stormy payment -- something evangelicals won't like

- Other faith leaders were more cautious. “We don’t consider respect for the First Amendment to be ‘arbitrary,’” said Rabbi Jack Moline, president of Interfaith Alliance, in a statement emailed to journalists.
- Alongside Rabbi Jack Moline is Thomas Jefferson, one of the founding fathers of the United States. He believed the barriers between church and state mattered highly. “Believing with you that religion is a matter which lies solely between Man & his God, that he owes account to none other for his faith or his worship, that the legitimate powers of government reach actions only, and not opinions, I contemplate with sovereign reverence that act of the whole American people which declared that their legislature should “make no law respecting an establishment of religion, or prohibiting the free exercise thereof,” thus building a wall of separation between Church and State.” (Letter of Thomas Jefferson, Jan. 1, 1802)
- If that wall were maintained, no image of the beast could be formed. But now that the wall of separation is being taken down, it will be, and now is, formed. Will we realize that it is time to sound the third angel’s message against the beast and his image? (Rev. 14:9-12)

- A SPECIAL ADVISOR TO BE ANNOUNCED
- A special faith advisor will also report any faith-based concerns to Attorney General Jeff Sessions, that their concerns will be both addressed and the legislation enacted under Trump's administration for Evangelicals may be especially executed. According to the new order, this advisor is to "identify and propose means to reduce ... burdens on the exercise of religious convictions and legislative, regulatory, and other barriers to the full and active engagement of faith-based and community organizations in Government-funded or Government-conducted activities and programs." In short, this means nothing is to prevent the full government sustained institutions of the Evangelical Protestant churches.

- In the last solemn work few great men will be engaged. They are self-sufficient, independent of God, and He cannot use them. The Lord has faithful servants, who in the shaking, testing time will be disclosed to view. There are precious ones now hidden who have not bowed the knee to Baal. They have not had the light which has been shining in a concentrated blaze upon you. But, it may be under a rough and uninviting exterior the pure brightness of a genuine Christian character will be revealed. In the daytime we look toward heaven, but do not see stars. They are there, fixed in the firmament, but the eye cannot distinguish them. In the night we behold their genuine luster. {ChS 49.2}
- The time is not far distant, when the test will come to every soul. . . . In this time, the gold will be separated from the dross in the church. True godliness will be clearly distinguished from the appearance and tinsel of it. Many a star that we have admired for its brilliancy, will then go out in darkness. Chaff like a cloud will be borne away on the wind, even from places where we see only floors of rich wheat. All who assume the ornaments of the sanctuary, but are not clothed with Christ's righteousness, will appear in the shame of their own nakedness.--Testimonies, vol. 5, pp. 80,81. {ChS 49.3}

## • The Nations

I saw in Europe just as things were moving to accomplish their desires, there would seemingly be a slackening up once or twice: thus the hearts of the wicked would be relieved and hardened; but the work will not settle down, only seem to, for the minds of kings and rulers were intent on overthrowing each other, and the minds of the people to get the ascendancy. {SpM 2A.2} I saw that all things are intensely looking and stretching their thoughts on the impending crisis before them. The sins of Israel must go to judgment beforehand. Every sin must be confessed at the sanctuary, then the work will move. It must be done now. The remnant in the time of trouble will cry, My God, My God, why hast Thou forsaken me? {SpM 2A.3} The latter rain is coming on those that are pure -- all then will receive it as formerly. {SpM 3.1} When the four angels let go, Christ will set up His kingdom. None receive the latter rain but those who are doing all they can. Christ would help us. All could be overcomers by the grace of God, through the blood of Jesus. All heaven is interested in the work. Angels are interested. {SpM 3.2} Think ye that He will bring His hand unto Himself until He has accomplished the object for which He stretched it out? Yea, more bitter hatred against those that keep the law than against the Catholics. Truth, the truth, let it shine. Hold them by the side of truth. What are they rich in? They seek falsehood, deception and cunning. Behold where is their strength? Is it in the truth? A mere knowledge of the truth will never save. {SpM 3.3} How long then, angel of God, before the message will go with a loud voice? Other things to be accomplished. They must make themselves more vile. If Jesus should make His appearance in their midst, they would despise Him. They advocate their errors for awhile, until the people get disgusted with it, then they add another. Nights upon their beds, horror gets hold upon them. Can ye not see it? Live unto God. He has got them safe in the snare. The honest are getting disgusted. Satan works at the very ones that do Him the most harm. God can make them a host against their enemies. Ye give up too quick. Ye let go too soon. That arm, the arm of God is mighty. Satan works in different ways to steal the mind off from God. {SpM 3.4} Victory! victory, we must have it over every wrong. A solemn sinking into God. Get ready! Set thine house in order. {SpM 3.5}

- God has a people upon the earth who in faith and holy hope are tracing down the roll of fast-fulfilling prophecy and are seeking to purify their souls by obeying the truth, that they may not be found without the wedding garment when Christ shall appear. {4T 306.3}
- Every moment is of the highest value. Time is granted them, not to be employed in studying their own ease and becoming dwellers on the earth, but to be used in the work of overcoming every defect in their own characters, and in helping others to see the beauty of holiness by their example and personal effort. But God has a people upon the earth, who in faith and holy hope are tracing down the roll of fast-fulfilling prophecy, and are seeking to purify their souls by obeying the truth, that they may not be found without the wedding garment when Christ shall appear. {RH, October 20, 1885 par. 1}
- Every child of God should be intelligent in the Scriptures, and able, by tracing the fulfillment of prophecy, to show our position in this world's history. The Bible was written for the common people as well as for scholars, and is within the comprehension of all. The great truths which underlie man's duty to his fellowmen and to his Maker are clearly revealed; and those who really want the truth need make no mistake. The way is not left in uncertainty, as though we were standing where four roads met, not knowing which one to take. The truth is our guide; it is to us like a pillar of cloud by day and a pillar of fire by night. {RH, January 27, 1885 par. 7}

# THE SIGNAL (5 Testimonies)

- Christ is leading out a people to stand in perfect unity on the broad platform of eternal truth. He gave himself to the world that he might "purify unto himself a peculiar people, zealous of good works." This refining process is designed to purge the church from the spirit of discord and contention and from all unrighteousness, that they may build up the cause of God and concentrate their energies on the great work before them,--that of saving souls. {BEcho, September 1, 1888 par. 1}

- Are we to wait until the fulfillment of the prophecies of the end before we say anything concerning them? Of what value will our words be then? Shall we wait until God's judgments fall upon the transgressor before we tell him how to avoid them? Where is our faith in the word of God? Must we see things foretold come to pass before we will believe what He has said? In clear, distinct rays light has come to us, showing us that the great day of the Lord is near at hand, "even at the doors." Let us read and understand before it is too late. {9T 20.1}
