

August, 2021 Gospel Sounders ministry Kenya, Transmara Mission field News Letter.

There is a great work before us. The work that engages the interest and activity of heaven is committed to the church of Christ. Jesus said: "Go ye into all the world, and preach the gospel to every creature." The work for our time is attended with the same difficulties that Jesus had to meet, and that the reformers of every age have had to overcome; and we must set our wills on the side of Christ, and move forward with firm confidence in God. {RH, March 13, 1888 par. 4}

It has really been a trying time to all of us in different parts of the world. From wild fires to floods, to forced vax, to multiple deaths and to wars and rumors of wars. This has been the trend of the day. As we look forward to the glorious appearance of Christ our lord and savior we must work for the day is soon to come.

Some of the things God has allowed us to do through his grace in these difficult time is a true fulfillment of the promise:

The faithful discharge of today's duties is the best preparation for tomorrow's trials. Do not gather together all tomorrow's liabilities and cares and add them to the burden of today. "Sufficient unto the day is the evil thereof." Matthew 6:34. {MH 481.3}

Let us be hopeful and courageous. Despondency in God's service is sinful and unreasonable. He knows our every necessity. To the omnipotence of the King of kings our covenant-keeping God unites the gentleness and care of the tender shepherd. His power is absolute, and it is the pledge of the sure fulfillment of His promises to all who trust in Him. He has means for the removal of every difficulty, that those who serve Him and respect the means He employs may be sustained. His love is as far above all other love as the heavens are above the earth. He watches over His children with a love that is measureless and everlasting. {MH 481.4}

In the darkest days, when appearances seem most forbidding, have faith in God. He is working out His will, doing all things well in behalf of His people. The strength of those who love and serve Him will be renewed day by day. {MH 482.1}

He is able and willing to bestow upon His servants all the help they need. He will give them the wisdom which their varied necessities demand. {MH 482.2}

Publishing the Good news

Distribution of 30,000+ literature dealing with prophecy, health, God's law, Sabbath, state of the dead, the truth about God among others. We have also had the privilege of distributing Bibles. These have gone to many towns in Kenya as we do a weekly distribution of literature.

We look forward to distributing over 10,000 Great controversies and bibles and so we ask for your support and donation come the year 2022

Bible translation

We have been going on with our Kiswahili KJV Bible translation that has gone all the way to the book of Romans. We thank God for the group of 7 that have been diligently working to see this work Done.

We however must have under quoted this work and seemingly under budgeted. We are praying that God will supply that it might come to an end and go to proof reading level.

Helping the less fortunate

We have by God's grace tried to help a blind single woman who was living a life in poverty acquire 1 acre piece of land we now look forward to building her a house there to stay with her children. We do weekly visit doing the medical missionary work of visiting the sick, the less fortunate, helping with food and clothing. We pray the lord will prosper this work.

Online and physical meetings

Due to covid restrictions, our work has been limited to our remote location but we have had time to do online zoom meetings share messages over there. Here we have been studying the books of 1 & 2 kings, 1 & 2 chronicles and it has been a great blessing. We are looking forward to more meetings and outreach activities.

Helping Bible workers and supporting missions

We have been helping a few Bible workers within and without Kenya to work in their areas by financial help and resources to them in various places.

We recently bought a sewing machine for a canvasser, and a few more items in several other mission centres. We have seen that the mission in ndhiwa is fitted with solar system and farms are being tilled to raise food and help with education of the community on agriculture.

Work at the sanitarium

This work has paused for reasons of bandit attacks for the past one month claiming lives of people and properties being burnt down. We look forward to God easing the issue of the insecurity in Laikipia that the work may continue. we had to remove our missionary worker from the

sanitarium for security reasons and we now pray for Gods intervention. We are praying for miracle to sink a borehole in laikipia and do a perimeter wall to keep the elephant away from the farm and also to build a unit for physicians. We have burnt 20,000 bricks for helping with this project.

Baptism

We have been able recently to conduct baptism in area this month and look forward to God using these soul to bring in more souls.

International missions

We have had numerous calls of people seeking to have us visit there areas and teach among them being Nigeria, S.sudan, Zambia, Malawi , and Uganda. We have plans of visiting Uganda for a 10 days camp meeting and we look forward to God's blessing. We have been abl to support uganda before and look forward to helping them

again. We look forward to visit Nigeria and sudan soon too God opening ways meanwhile we have coordinated with another ministry to help with the work in Nigeria for now.

More workers

We are looking forward to receiving another missionary worker from the USA with the help of **Revelationwithdaniel ministry**. She will be working in the remote areas of transmara for now till the situation calms at the sanitarium. We pray for her and look forward to God's blessing.

Call for support from missions

There is an urgent need of one Bible worker to get a **motor bike** to visit the large field he is covering .it is expensive to commute to those places as believer live many miles apart and also the mission evangelistic campaigns need some means to ease his travels.

We look forward to buying a mission land to erect a church in transmara and offices for social work. Which will act as meeting place and also a palce from where the community can be trained on healthful living, organic agriculture etc.

There is a dire need of drilling a borehole in laikipia to help the suffering community and supply the sanitarium with water. we know depend on fetching water using a motor bike miles away.

Need of sanitarium fence to secure the farms against elephant destruction.

Final words

Those who receive are to impart to others. From every direction are coming calls for help. God calls upon men to minister gladly to their fellow men. Immortal crowns are to be won; the kingdom of heaven is to be gained; the world, perishing in ignorance, is to be enlightened. {MH 103.4}

"Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal." John 4:35, 36. {MH 103.5}
